

ABOUT US

Slim Haven provides shared, professional housing and care. We focus on the core belief and philosophy, that the personal, physical and spiritual well being of our clients must come first.

Slim Haven is owned and operated by a former Registered Nurse who specialized in psychiatry and geriatrics. Your client or loved one will be in good hands.

We accept all types of payment methods, including private pay, private insurance, Medicaid and Medicare.

SLIM HAVEN
AFFORDABLE LIVING
- ABINGTON -

WHO WE SERVE

We are licensed to house clients who are mentally ill, developmentally disabled, those with traumatic brain injuries, and seniors .

We are able to provide Respite care and Adult Day Care to those families in need.

We also have all inclusive rooms available at other properties, for the general population who require independent living arrangements.
